

Lexis Nexis Training Center Quick Reference Guide

The LexisNexis Training Center is your portal for Solutions Training resources.

Get Started: Home Page

The screenshot shows the LexisNexis Training Center Home Page. The header includes the LexisNexis logo with 'RISK SOLUTIONS' and 'Training Center'. Navigation tabs are 'Home', 'Available Courses', 'My Account', 'My Calendar', and 'Contact'. A 'Sign In | Contact' link is in the top right. A red callout box points to the 'Available Courses' tab with the text: 'Click on Available Courses to access resources by : Solution, Program Type and Schedule training dates.' Another red callout box points to the 'Sign In | Contact' link with the text: 'Click Sign In to access the Training Center and create a new account.' A large red banner at the bottom right contains the text: 'Not all customers look alike. Visit our calendar of training events. Click Here'.

Training by Solution

- > Accurint®
- > Accurint® for Health Care
- > Accurint® for Insurance Plus
- > Anti-Money Laundering Solutions

Our programs are outlined by training method,

Instructor Led Training - This type of training is facilitated by an instructor which allows for learners to interact and discuss the training material, either individually or in a group setting.

Self-paced Training – This type of training is an online learning tutorial designed for the learner to proceed at their own pace.

Guides - Resources designed to support the Solution, which include, Get Started Guides, Educational Briefs and Quick References.

Training by Solution, Anti-Money Laundering Solutions

Search Show

The Anti-Money Laundering Solutions training program provides you with the training you need to leverage your investment in LexisNexis® Anti-Money Laundering Solutions ("AML"). The AML training clarifies search functionality and leverage best practices in an effort to enhance your search techniques. The training is geared towards initial and advanced AML users who are seeking ways to improve their use of the AML solution.
